Section 1: Your first connection to Cliniciel

Step 1: Connection to your "@cloud.cliniciel.com" account

Please go to the Cliniciel website and click on "Se connecter":

https://www.cliniciel.com/

You must click on "Use another account":

Microsoft		Microsoft
Pick an account		Sign in
+ Use another account		No account? Create one! Can't access your account?
	Back	Sign-in options Back Next

If you do not see one of those two windows, simply disconnect yourself from your personal account by clicking on your username in the top right corner.

You must now enter the "@cloud.cliniciel.com" email address and the password that has been provided to you by EFS Health Solutions:

Because this is the first time you are signing in with this account, you need to create a new password:

Step 2: Starting Cliniciel

You must now click on the Cliniciel logo and grant access to the remote computer:

You can check the last checkbox "Don't ask me again [...]" if you do not want to see this window every time you launch Cliniciel.

> Please wait a few moments while Cliniciel is launching:

After the loading, you may now enter your email address and your password set during the first step:

Enter your credentials					
User name demo00@cloud.cliniciel.com		~			
Password		Save password?			
	Username	demo00@cloud.cliniciel.com •			
	Password	•••••			
Submit Cancel		Save Never			

* To speed up the login process, you can save your password. Warning, your account will be available for everyone using your computer!

Please wait a few moments again while you are launching Cliniciel:

After the loading, you should see this window if you have successfully completed the step 2:

If you do not see this window, please try again the step 2.

Step 3: Register to Clinicheck

In the Cliniciel window, you must now enter again your email address and your password:

You must now fill all the required informations and accept the terms of service and the privacy policy:

Step 4: Launching your Cliniciel

You are now at the last step! You simply need to click on your Cliniciel to launch it:

Congratulations! You have just completed with success the 4 steps to connect to your Cliniciel!

Section 2: Your subsequent connections to your Cliniciel

This next section is dedicated to show you how fast you can connect to your Cliniciel, assuming you have saved your account passwords during your first connection.

Please go to the Cliniciel website and click on "Se connecter":

http://www.efssolutionssante.com/

Being already connected to your account, click on the Cliniciel logo:

You simply need to click on "Submit", your credentials being already saved:

After the loading, you are already at the step to click on your Cliniciel to launch it:

And there you go! You are already back in your Cliniciel!
